

Dear Prospective Player:

The Navan Grads Junior 'A' Hockey Club invites you to register to be a member of the 2019 CDHL Grads. The Central Development Hockey League has launched its 6th season with the ten teams operating in Eastern Ontario and Western Quebec.

The league members are all current operators of Junior 'A' programs and as such, are preparing

current and future players with the unique opportunity to participate in a Junior environment. In addition, players will be provided with an inclusive development program; discounted equipment; and an opportunity to participate in the prestigious Chowder Cup Tournament in Boston, MA.

All member teams provide their players with a 13 games regular season schedule, including 2 weekend showcases, 18 hours of practices and a season ending playoff tournament. In keeping with the unique development aspect of the league, the rules of play will emphasize skill enhancement and promote opportunities for next level exposure. The CDHL season runs from mid-April to late-June 2019, with all games played at the Richcraft Sensplex in Gloucester, Ontario.

Unlike programs run by private individuals, our interactive approach provides game experience along with instruction and training by seasoned Junior 'A' caliber coaches and staff. This fundamental CDHL principal ensures excellent exposure for players to the Central Canada Hockey League, while providing equally important development and personal skill enhancement.
